

Pay: \$ Competitive hourly rate based on experience.

Job description:

We are looking for full-time Senior Commercial Refrigeration Service Technician to join our team! Whose skills are in both Commercial Refrigeration and HVAC with the ability to train others. We pride ourselves on being a locally owned, small family business. We understand the needs of our employees and customers, and that will always come first! **For serious consideration, must have strong background in refrigeration. **

Qualifications: Visit WWW.GLRMECHANICAL.COM for full application.

- Minimum 5 years field experience in commercial HVAC/R with a focus on refrigeration. Not an entry level position.
- Valid PA driver's license. No DUI convictions or license suspensions within previous 5 years
- Ability to handle physical workload (lift 60+lbs and maneuver in attic and crawl spaces)
- EPA certification
- Excellent customer service skills
- Strong problem solving and critical thinking skills.
- Proficient in reading schematics and wiring diagrams
- Complete background check

Responsibilities:

- Independently troubleshoot and repair commercial refrigeration, heating, and air conditioning systems. (Walk in/Reach in coolers/freezers, RTU's, ice machines).
- Perform preventive maintenance.
- Complete all necessary paperwork pertaining to scope of job.
- Maintain clean environment at job site.
- Maintain neat and organized company vehicle(s)
- On-call rotation and overtime may be required

Benefits:

- Medical, dental, and vision coverage
- 401k plan
- Paid holidays
- PTO
- Excellent earning potential
- Company phone
- Company van
- Paid Training
- In-house training in our own training center. (Factory, classroom and hands on.)
- Stable Customer Base and Consistent Work
- Company Supplied Service Uniforms
